Ex-Prisoner Convicted for Assault on Edward Ross.

Thomas M'Coey, known as "Kid M'Coey," was convicted in the County of Special Sessions in Manhattan today of assaulting John Montgomery, an ex-convict, by striking him with a brick. M'Coey was fined \$25 and costs.

The assault took place on the sidewalk in front of the Hotel Hamilton, at the corner of 14th and Broadway streets, on March 15. M'Coey was seen by several witnesses to throw a brick at Montgomery, who was walking with him. M'Coey was arrested by police officers on the spot.

M'Coey was previously convicted of assault on Edward Ross, a well-known actor, and was sentenced to the House of Correction for six months.

RECEIVERS NAMED FOR AMERICAN REAL ESTATE COMPANY

Ex-Judge Noyes and A. E. Marling Are Appointed in Federal Court.

TROUBLE OVER BONDS.

Concern Owns Property in Manhattan and Bronx Worth \$23,000,000.

The American Real Estate Company, No. 517 Fifth Avenue, which owned, on Jan. 15, nearly \$23,000,000 worth of property in Manhattan and the Bronx and has extensive holdings in Westchester and Queens, went into voluntary receivership today. Judge Learned Hand in the United States District Court appointed former Federal Judge Walter C. Noyes and Alfred E. Marling receivers under a joint bond of \$100,000.

The receivership grew out of an equity suit brought by Olin J. Stephens, Inc., and Henry Schmitt Jr. on behalf of the bondholders. The company has assets of approximately \$25,000,000, encumbered with mortgages amounting to about \$9,000,000. It has made a business of selling mortgage bonds at 4 per cent. interest and about 250,000 people throughout the United States hold some \$15,000,000 worth of these bonds.

In an affidavit filed with the Court Receiver Stephens, Vice President of Olin J. Stephens, Inc., states that the receivers are necessary to prevent the assets of the company being dissipated and to protect the bondholders. He also states that it is necessary that a fair price may be obtained upon the assets and their value preserved.

All of this is admitted in the answer of the defendant company filed by Edward B. Boynton, the President.

The American Real Estate Company is incorporated under the laws of Rhode Island. Beside Mr. Boynton, the President, its officers are: Vice President, William B. Hinckley; Treasurer, Austin L. Babcock; Secretary, Clarence S. Shumway; Assistant Treasurer, Clinton T. Miller; Consulting Accountant, Richard L. Lingley; and Advertising Counsel, Francis H. Sisson.

The company owns many high class apartment properties in Manhattan, including the Hendrik Hudson at One Hundred and Tenth Street, Riverside Drive and Broadway.

A hearing was refused the company in Connecticut last year and it passed its quarterly dividend in July, 1915. This brought about a condition of alarm among bondholders and was the beginning of trouble which culminated in the receivership. Robert T. Wood, counsel to the company said today:

"We have had demands for about \$700,000 since the late of January and have paid off about half of this sum. We can't keep on paying the bondholders unless we sell real estate at a loss, so a receivership was deemed the best way out. Our plan is to reorganize the company on a plan in which the bondholders will participate."

LEAVE LONDON TO SAVE DOGS FROM WAR PERILS

Misses Navratil Didn't Mind Zeppelin Bombs Till One Knocked Bimbi Out of Bed, Then They Fled.

The Misses Charlotte E. and E. Loretta Navratil, formerly of New York, but since 1901 residents of Knightsbridge, Hyde Park, London, managed to endure war times in England with equanimity until a passing Zeppelin dropped a bomb which scored Bimbi, one of their pet Pomeranians, so badly he fell out of bed and hurt his chin. Then they decided it was time for them to come home.

They arrived on the steamship Philadelphia of the American Line this morning, escorted six Poms named respectively Bessie, Knightsbridge, Bimbi, Buttonhook and Piffi. For a moment when the bomb fell Bimbi thought he was a candidate for the dog cemetery when the Misses Navratil, standing in Huntington, thought the enemy was about to drop a bomb, but there are only five graves now.

The sisters announced they expected to meet their brother-in-law, W. C. Hunter of this city, and would live at the Holland House until they could find a quiet place in the country where the Pomeranians could get their rest.

FRAME-UP, SAYS INNES.

Clothes in Trunk Not Those of Victim, Says Sister.

ATLANTA, April 19.—Victor E. Innes today characterized as a "frame-up" the alleged discovery of clothing of Miss Beatrice Neims and Mrs. Elsie Neims Deane, her sister, in his trunk. He said that it was clearly a "frame-up."

"We can prove we bought the clothing found in the trunk which it is claimed was the property of the two sisters," he said. "Anybody knows that in a case as serious as ours we would not have been so foolish as to conceal possessions of our girls where they could so easily be found. Although the boy believed by Mrs. Innes to be her son is still kept hidden, Innes, who is said to be his father, today denied the report that Mrs. Richter was his divorced wife."
